

JIM GUARINO is the founder and president of the **American Financial Education Network**, a global alliance dedicated to helping people maximize their opportunities and reach their goals through quality resources, tools and education. Since 1990 Jim has helped tens of thousands of people in the subjects of personal finance, business strategy, safe investing and personal achievement.

Jim has spoken for hundreds of audiences and has impact business owners, investors and individuals by helping them accelerate profits and create financial safety, security and success. As a veteran Master Trainer™, Jim is in demand for speeches and lectures throughout the United States because of his great ability to captivate, educate and motivate.

He is author of the **Get Real! MONEY** book series and creator of **The 7 Minute Money System™**, America's leading educational program to achieving safety, security and success in 7 weeks—7 minutes a day.

Jim is also CEO of **TheMoneyExpert.com**, the world's first all inclusive educational support resource for achieving financial safety, security and success in the new world economy.
