**JIM GUARINO** is the founder and president of the *American Financial Education Network*, a global alliance dedicated to helping people maximize their opportunities and reach their goals through quality resources, tools and education. Since 1990 Jim has helped tens of thousands of people, business owners and investors in the subjects of personal finance, business strategy, safe investing and personal achievement.

Jim has spoken for hundreds of audiences throughout the United States and has impact over 75,000 businesses helping them accelerate profits and develop new economy strategy. As a seasoned Master Trainer™ and world-class speaker, Jim is in high demand having the ability to captivate, educate and motivate.

He is author of *Get Real! MONEY: Get the Money You Want in Just 7 Minutes a Day*, and creator of *The 7 Minute Money System*, America's leading educational program for achieving safety, security and success in 7 weeks—7 minutes a day.

Jim is CEO of *TheMoneyExpert.com*, the world's first all inclusive educational support resource for achieving safety, security and success in the new world economy.
